WELCOME TO HAMMERSTEIN & DAOSA AFRICA LODGES

Hammerstein Africa Lodges is a curated collection of properties dedicated to delivering exceptional service, crafting incomparable experiences, and ensuring lifelong memories for all its guests. Backed by decades of hospitality experience, it continues to deliver unique moments with intentionality and precision. The Hammerstein Africa Lodges brand is divided into two distinct collections; Hammerstein lodge group and Daosa lodge group.

The Hammerstein Africa Lodges collection includes Hammerstein Lodge (the taproot to our tree!), and Etosha Omusati Lodge (the leafy top!). These lodges are equipped to handle slightly bigger groups, and puts forth a hearty dinner and vitalic breakfast buffet and homely accommodation.

The second collection, Daosa Africa Lodges, is a premier luxury branch of Hammerstein Africa Lodges. Daosa includes Desert Hills Lodge, We Kebi Safari Lodge and Ocean House Guesthouse. The allure to these establishments are their additional luxury accommodations and service. Spacious, welcoming and unique architecture will entice your senses. Experience succulent plated dinners at Desert Hills and We Kebi. Ocean House Guesthouse does not serve dinner, but like the other two present a lavish mouth watering Namibian buffet breakfast.

We invite you, your clients, your friends, and your family to come enjoy with us the riches we have been entrusted with. See, taste, smell, hear and feel the mountains, the sand, the wind, and the magnificent southern skies; from the rhythmic foamy waves to the quiet baking savanna and crisp desert air.
